JOIN THE OHIO YOUNG BIRDERS CLUB

The Ohio Young Birders Club is a club for nature enthusiasts ages 12 to 18, founded by the Black Swamp Bird Observatory.

- Get involved with other young birders from across the state of Ohio and beyond!
- Go on really cool field trips to interesting destinations all over Ohio and the region!
- Learn more about turning your interest in birds and other wildlife into a career!

Benefits include:

- Subscription to Golden-wings Newsletter featuring OYBC member articles, photos, and sketches
- An invitation to attend the annual OYBC Conference
- Service learning projects and field trips to exciting destinations
- A chance to interact with young people who share similar interests
